The "free" car-wash raised \$150 for a local family bereaved by the passing of their beloved mother.

Car-Wash or "Water War" sometimes it's hard to tell, but the serving youth from Mars Hill Church in Bellevue had fun.

Bellevue Youth Symphony @ JRC
Concluding three great weeks of music camp the Bellevue Youth Symphony Orchestra moved outdoors and presented their closing concert on the JRC lawn. We've loved the partnership with BYSO and it's going to seem very quiet around here without the strings, horns and timpani!

Great Camp:

Campers "Rich & Famous"

It's been another "great" week at Bellevue's summer "Great Camp." This week's theme was "Rich and Famous" and campers visited Olympia where they caught a glimpse of Governor Gregoire. Other trips were to SAFECO Field and an Argosy Tour of Lake Washington.

"All aboard" for today's adventure to...

Volunteer "IT-guy" Jordan Nakamura
It's been a summer of service for this enterprising eighth grader from Eastside Christian School. Showing up daily at JRC to work I.T. or do anything needed. Thanks, Jordan, for your energetic, capable and willing service!

Racks 'n Racks for H&H plus 12000 donated hangers

Story-time for these pre-schoolers.

These children will be ready for Kindergarten when school opens on August 31st because they've been learning social skills, letters and numbers in Miss Chi's class all summer.

Visiting Chi Morehouse, from Japan is her mother, Setsuko Imoto. She says, "everyone at JRC looks very happy and has peace on their face."

Volunteers from City Ministries worked long and hard at H&H Donation Center.

Donation Center Open Now

The community is showing an outpouring of support for the Heart & Home venture. This group of volunteers from City Ministries joined us and hung dozens of boxes of fall and winter clothes that were donated last week. Our Donation Center is located at 1488 127th Place NE, in the Evans Industrial Complex between BelRed Road and Northup Way. Your donations will help the families we serve.
