Together Again...After School

In the words of Selena, "the cool thing about going back to school is that I get to come to Jubilee REACH after school." A

team of caring volunteers welcomed almost 50 students "home" to JRC After School with hot dogs on the 'barbie.'

That's Sergio and his 3 daughters who attend the Before and After School programs with Mr. Bill. Sergio is a professional painter who has volunteered to paint the Heart & Home Value Center "because I thank God for JRC. For 3 years they have loved our family. This is how I can say thank you."

The Music Project is coming to JRC! Kids will learn confidence, character and courage through musical performance under the talented Bernadette Bascom.

This week:

Hi Ho Hi Ho...Back to School We Go!

At 6:00am, they arrived, full of energy and hugs for the volunteers who returned to love Lake Hills kids Before School. Then it was off to school aboard the walking school bus (above), but not

before Fran, Myra and Melinda had prepared a hot breakfast of eggs, bacon and of course, pancakes, with fresh

berries and syrup that had been donated by corporate sponsors, City Ministries and WIN Food Banks. Mmmm, mmmm good!

ACT NOW! Fill The Store!

Heart & Home needs those good clothes that have been sitting in your closet for months, or a year! And how 'bout those games, toys, and other cool stuff that's taking up space that you may have never, or hardly used? Those could be treasures for some and they will also help us employ those in our community in need of transitional jobs and training. Your good clothes and hidden treasures will also generate the needed income to help sustain the 'good works' at your Jubilee REACH Center. So pack up the car and make a bee-line for the...

Called from England. He wanted to serve kids when he graduated from college in London. He distinctly heard God tell him to call his cousin, Pastor Roslyn at FPCB. Mark bought a one way ticket and arrived at JRC, the day After School leader Chris broke his leg. Chris will be out of service for three weeks. Mark, thanks for answering the call, and stepping in the gap. 'Coincidence' is God's way of remaining anonymous.
