Those Cupcakes are for the Kids!

Marilyn tried to sneak one of the 550 birthday cupcakes prepared each month by volunteers from First Presbyterian Church Bellevue to help kids celebrate birthdays at partner Lake Hills Elementary. All kids get a cupcake and those with their birthday in the month get a special prize! Just stepping in the gap to love kids and support schools.

Meet the Faculty of volunteers who are teaching this month's Parent Computer Class. John, Eva and Tom show who have never owned a computer how to operate one and check their kids grades, homework and attendance. After 6 classes each family earns their first computer!

English is the language of relationship for over 190 students who attend ESL. "I love the people I meet here," said a parent. Yep, I we love loving you!
