**Medical Clinic, Care and Prayer**

Dr. Mark Jabbusch confers with nurse Laura over the needs of a 'neighbor.' Medical services were provided to 15 families in our free medical clinic. Doctors and nurses from five churches and interpreters from Bellevue College worked together with support staff and other volunteers who provided hospitality beverages and snacks to our neighbors with no medical or insurance options. All felt loved and cared for.

The City is here! With over 600 volunteers, we needed a great social technology platform to allow our volunteer communities to communicate with each other. The City will be a cool tool for JRC volunteers and our partner churches to keep in touch!

**Eat Your Vegetables!** It was a healthy International Lunch of broccoli salad and soups and others goodies.

## This week:

**The Color of Math in the Morning**

Luca loves discovering how many ways he can make the number '7'. Lynne has kindergartners learning math with colors using everything from Skittles to M&M's. And if you look closely, in the

background, you can see that Maria loves doing subtraction by putting a few of those colorful Skittles in her mouth! She learned that  $7-2=5$ ...Skittles left!

**Breakfast Before School** by the employees from Composite Solutions.

ESL Community is breaking out everywhere at JRC. We have run out of classrooms for Sandy to love her students in!

**Auction Puppy Visits JRC**

Okay, here's what all the commotion was about at the auction. Faithful volunteers Rita and Carol were the big bidders for 'Baily' the baby Shih Tzu. Baily caused a big commotion at JRC during ESL as well! Isn't he cute?

Shop to your heart's content at your Heart & Home Thrift Store! There is a BIG Memorial Day Sale going on...50% OFF almost everything in the store. We have added lots more shelving to accommodate all the good merchandise we have received!

Jubilee REACH

**Heart Home**

THRIFT STORE

Salvation Army partners in the Crossroads area, led by Micki and Cal, dropped by to visit and collaborate on more ways to collaborate in serving the needs of our community and help serve families at Heart & Home.
