Family Talk was a Feast of Fun!

Our last Family Talk was a feast of friendships for families in our community. The feast included a buffet

of favorite family foods from around the world and ceremonies celebrating our ESL graduates. Proud graduates received diplomas and hugs from

volunteer teachers like Ursula and Bob who, like so many have remained faithful volunteers for over three years!

"I cherish the relationships and friendships that I have developed," Sandy gushes as she hugs one of her students. "I think this might be what heaven looks like," whispered another volunteer. They cherish the relationships so much that a relational "Talk Time" version of ESL will continue throughout the summer. Hmmm, seems like God is using English as the language of relationship and reconciliation.

This week:

"Thank You for Loving Us"

It was a time of celebration and sadness as Seleny and over 40 Before Schoolers said goodbye to the 60+ volunteers, like Mr. Bill, who show up to love and even cook breakfast for kids every morning so parents can get to jobs to sustain their

families, "Thank you for loving us like your own children." Miss Connie, who leads the Before School Program 'felt the love' of the 5th graders who are moving

on to Middle School. "We just love them and pray for God to bless their paths," says Mia and her cooking team. That's all we're called to do...and we experience a joy that exceeds happiness every day.

Smile, Your Dentist Loves You

Why else would so many dentists from area churches volunteer to provide free dental care for kids and families in our community without options. "This is an amazing service to our families," says Ms. Carmen, the family coordinator at partner Lake Hills Elementary.

Good Sports Josh, Ben and Dani collected sporting goods from their friends for JRC kids

Join Our Development Team! It takes lots of resources to sustain JRC. Would you like to join our Development Board?
